 - IPv4 Soft Landing
 - Assignment to not-for profit Organisations

Some pictures from AfrinIC-9 & 10

Cooperation & Project

- ▶ Continue to support other sister Organizations
 - AfTLD: Continue Administrative and Financial support. Sponsors AfTLD annual meetings.
 - AfNOG: Continue to cooperate with AfNOG in several areas (MoU)

- AAU/AfREN: Planning LIR/IPv6 session for RENs focal points over the continent. Provide support to academic sector to get IP resources they need.

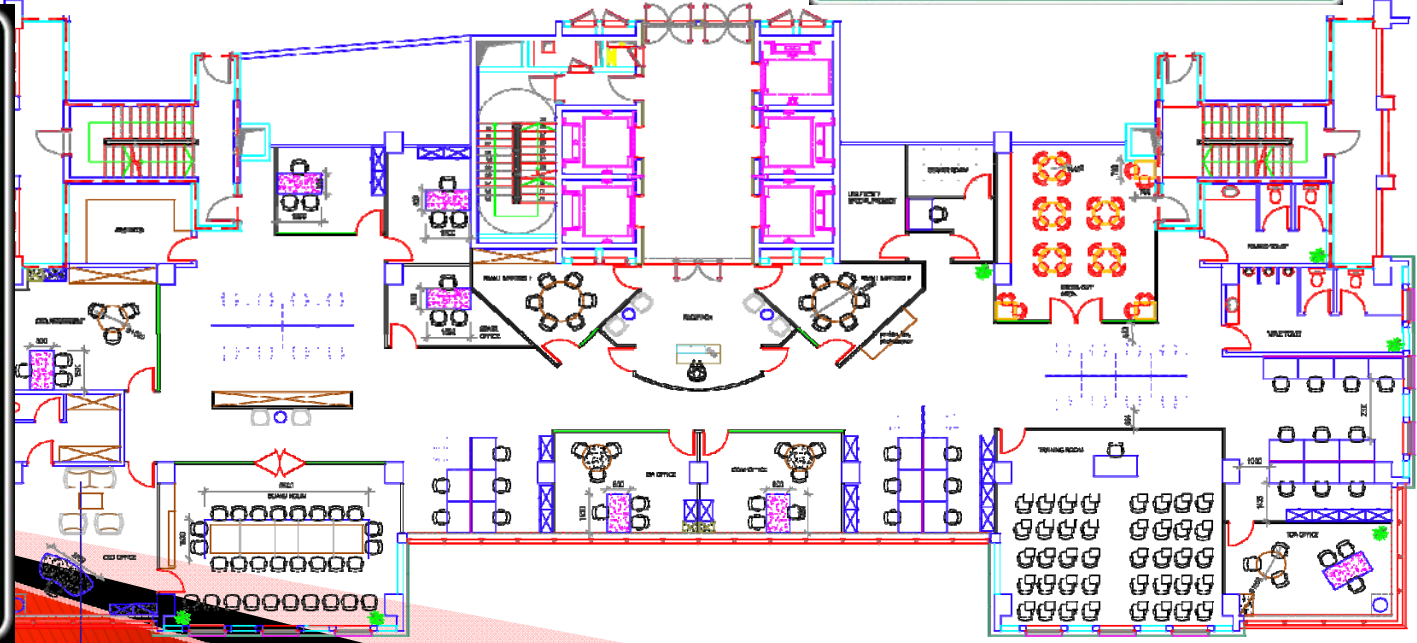

Cooperation (bis)

- ▶ AAF: AfrinIC join the Africa & Asia (collaboration) forum aiming to strengthen the technical collaboration between Asia and Africa Internet technical communities (Research and education).

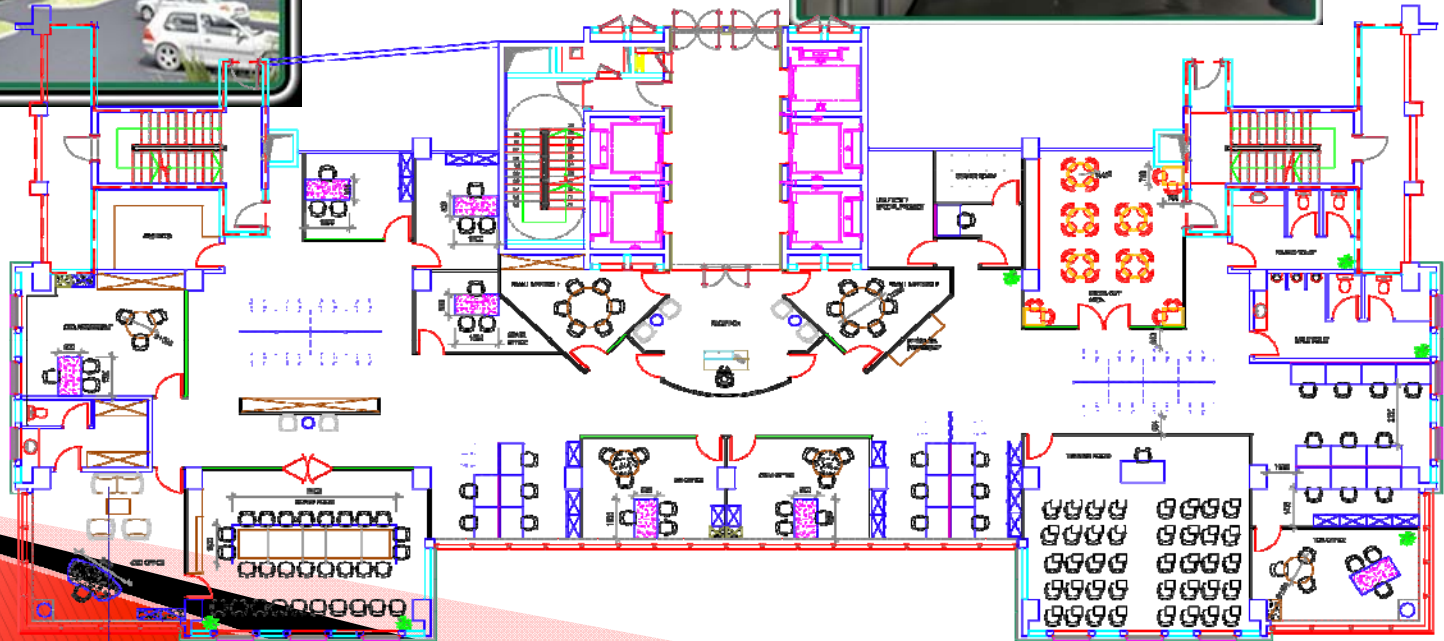

- ▶ NRO: AfrinIC has continued to support and contribute to the NRO.
 - Chairing the NRO-EC in 2009.
 - Staff members of NRO CG (E & C) + RS Ad Hoc Group
 - Joint statement on Nav6 survey.

Office Relocation Project

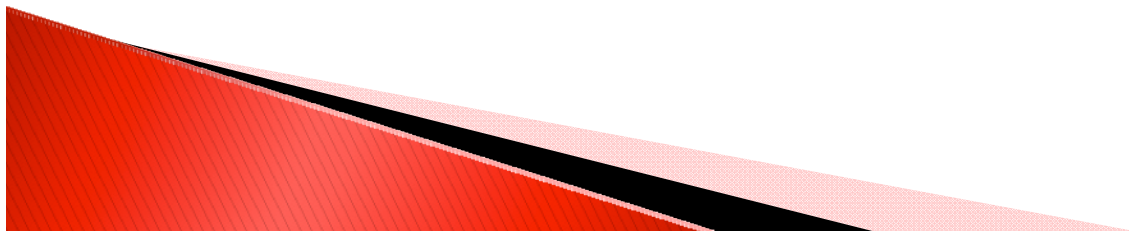

- ▶ One of our major significant projects this year is the relocation to new office premises.
 - Turned Key approach: Call for proposal and fit out (completed – 7765 sq.ft)
 - Work planned to start end of June
 - Plan to move by end of September 2014

More about the new office

- ▶ We are still a relatively small team that is taking time to grow prudently but in steady sustainable way!
- ▶ One of our focus this year is to reinforce our relation with Governments in the region along with bringing more Mobile operators to the community.

Thank you
