Who can participate?

- Everyone in the room can participate in the discussion with their opinion.
- Alternatively, you can post your questions in the jabber room.
- Everyone in the room or jabber room can show support or not, for a given proposal when asked by the chairs.

What does Consensus means here?

In LACNIC, a policy proposal **reaches consensus**, when a significant majority supports it after a wide discussion and, there are no unanswered technical objections.

When speaking at the microphone

- Form a line.
- Please state your name and affiliation.
- Speak slowly; the session is being translated.
- Translation equipment is available at the entrance.
